In a Million Words or Less...

Dear Parents: Over the course of the upcoming year, I will get to know your student very well. In the meantime, please help me get a head start by describing your student. You can tell me anything you’d like, especially if it will help me understand your student’s strengths and weaknesses at school and as a person. Feel free to write as little or as much as you would like. Thank you for your time and I look forward to reading your response!    –Mrs Dunn
