

Our Lady of Fatima Catholic School and the University of Notre Dame's Center for STEM Education are proud to sponsor the

SUMMER SCIENCE AND ENGINEERING CAMP

June 19– 29, 9 AM– Noon

For students entering 6th, 7th or 8th grade in Fall 2018

The Summer Science and Engineering Camp is aimed specifically at middle school students. Students will work collaboratively to explore scientific questions and solve engineering design problems.

Cost

\$150 per student, but half- and full scholarships are available. Those interested should inquire with the host school for more information regarding scholarships.

Location

Our Lady of Fatima Catholic School
501 W Granger Ave,
Modesto, CA 95350
(209) 524-4170

Camp Highlights

Explore animal anatomy and physiology

Dissect different animals to learn how organ systems work in living things

Learn how to use different tools and technologies to solve problems

Solve engineering challenges and build Rube Goldberg machines

Engage in hands-on activities and science investigations every day!

Summer Science and Engineering Camp Registration Form

Online: Register at the following link to reserve your spot: stemeducation.nd.edu/modesto. Send your tuition check to the address above. Please include your child's name and "STEM Camp" in the memo line.

Mail: Send this form and your tuition check to the address above. Please make checks payable to Our Lady of Fatima Catholic School.
