

## Fundraising – Non-profit Organization

We have the opportunity to work the concessions for Avaya Stadium in San Jose as a non-profit group. In order to do this we must have a dedicated amount of people willing and available to work. All people that work must first complete the attached paperwork, get their food safe handling cards and attend the required training before they will be allowed to work. If this year goes well and we have enough participation, we may add additional venues.

Please be sure to read the Spectra Volunteer Guidebook for specifics on what to wear, wear to park , etc. as it answers most of your questions. The FAQ's below are more specific to St. Anthony's Catholic School.

### **Frequently Asked Questions:**

- How much will I earn for working an event?

Each person working the event will receive \$125 credit towards tuition, science camp, or DC/NY. There is no limit to the family members working towards your credit, as long as they have gone through the requirements above. Once you commit to where you would like your credit to go, it will need to stay in that account for the remainder of the school year in order to keep the accounting trackable. If you choose science camp and go over the amount, the remainder can roll to the DC trip. We will review at the end of the school year and make one time adjustments for families if needed.

- If I leave St. Anthony's and have a balance in my account, will I receive that balance?

Since St. Anthony's is operating as a non-profit you would not be able to receive the funds back to your personal account. The remaining funds would roll either into the school tuition account or class funds.

- What is the age requirements?

Volunteers must be 16 years of age to work the concessions. In order to serve alcohol, a person must be 18 or older and complete the alcohol service training

- How many trainings do I need to attend?

Each person will need to attend 3 (2) hour trainings including alcohol (ServSafe), Volunteer Orientation and Point of Sale (using the cash registers). We are setting up a date at St. Anthony's to take care of 2 of the trainings. Point of Sale and part of orientation will need to be done at the stadium.

- What do I do if I can't attend the training at St. Anthony's?

You will need to make arrangements to attend trainings with another group at the stadium.

- What if I volunteer to work an event and I can't make it?

The group is required to commit to a number of people prior to an event. We are charged \$50 per no show. This will be charged to your FACTS account if you commit but do not show/do not set up a replacement for your scheduled time. Please be sure you can make it before you commit.
