

Improving Student Learning for Catholic Schools

Appendix F-1 Action Plan Template: Used for Every Action Plan

Action Plan for St. Anthony Catholic School

Goal #1: (from Chapter 3-C) Increase technology integration throughout the curriculum.

Rationale for this Goal: This goal will drive the technology integration throughout our curriculum allowing students to gain the skills they need to survive in a multifaceted, highly technological knowledge based society and enhance the learning process.

Alignment with mission, philosophy, SLEs: St. Anthony students will use technology in the classrooms ensuring they have a strong foundation in all areas – religion, organization, communication, and knowledge.

Strategy #1	Create technology plan that is fluid and versatile in the needs of the students and staff.
Activity #	<ol style="list-style-type: none"> 1. Meet with technology committee to understand needs of school and students in developing technology plan. 2. Create a technology plan the meets the needs of our students and staff.
Cost or Resources & Sources	No cost.
Person(s) Responsible For Implementation	Administration, pastor and technology committee
Process For Monitoring	Creation of plan will be monitored by administration.
Baseline Assessment	None
Ongoing Assessment	Once plan is in place, ongoing assessment will take place in the integration portion of the plan.
Timeline Start/Stop	Start Immediately/Stop in Spring of 2017 or when plan is in place.
Process for Communicating to Shareholders	Meeting minutes, website, PTG meetings/minutes, and emails.
