Syllabus for PE 2019-2020

Objective: Students will participate in a variety of individual and team activities focused on building endurance, strength, and healthy habits. These activities will provide the students an opportunity to develop their physical, mental, and spiritual strength. Throughout the year students will build a collaborative team in which a “we before me” attitude is adopted. Through practice and perseverance these essential skills will become a lifestyle and will aid in future decision making.

Contact: Parents, you know your child best, and your input is valued and encouraged. Please reach out to me with any comments or concerns throughout the year. [Sí hablo Español.](#)
